GETTING RIGHT WITH MONEY: PRINCIPLES ABOUT MONEY FROM KING SOLOMON, THE WISEST, RICHEST MAN EVER, TO HELP YOU HAVE MORE MONEY, NEED LESS MONEY, AND HAVE YOUR LIFE BE BIGGER THAN MONEY (PAPERBACK)

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.You become an expert at money by learning to think about money like a wise man thinks about money. King Solomon was the wisest, richest man ever. He left us his best teachings about money in the book of Proverbs. Six principles to guide your thinking about money; six principles that will change your financial life. And one more principle that s more important than money, that will help you use money as your servant without letting it become your master. From readers: - I found it very enlightening, validating, convicting, and thought- provoking. Many of the things you touched on I wish I had known at 16.18.22. - You ve collected a great deal of wisdom . it will be useful for many people struggling with their relationship to money. - A very real reminder of how much the world works to shape our views on money, and how very different (and SO much better) God s principles are.
