Speedy Publishing LLC, United States, 2014. Paperback. Book Condition: New. 216 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.A child will always enjoy a book about something that they love. Every child either has a pet that they love as part of the family or would very much like to be to a pet owner. The fascination that a child has over picking out and naming a pet is unmatched by any adult comparison. Owning a pet gives the child a feeling of growing up and being a responsible. A Playful Pets (caring for pets) book would be a great way to introduce the aspects and steps that are needed to take care of any pet from a gold fish to a golden retriever.
