ROMITA LEGACY: GENERATIONS (HARDBACK)

Dynamite Entertainment, United States, 2010. Hardback. Book Condition: New. 277 x 216 mm. Language: English . Brand New Book. While Steve Ditko and Stan Lee may have created Spider-Man, it was John Romita Sr. who defined him. Romita came to the book as a replacement for Steve Ditko, bringing his clean, romantic style of illustration to the book. Romita once expected Ditko to return to the book within a few months and when he didn't, history was truly made. A history that is now fully explored by writer Tom Spurgeon and this presentation of the definitive book - lavishly illustrated with classic and unseen art - starring Jazzy John Romita! From his days before Marvel, through the Silver Age, and his days designing and creating the characters we know and love still today (including Wolverine, the Punisher and many, many more), Romita: Generations covers it all. Spurgeon's exhaustive interview includes not only Romita Sr., but the second beloved artist in the family, John Romita Jr.! About Tom Spurgeon Tom Spurgeon is one of North America's best-known experts on the comic strip and comic book art forms and the industries that service them. The son of a newspaperman in East Central Indiana, Tom and his brothers helped their father select new strips for the paper's comic-book page, making the Muncie Star-Press one of the first publications to carry Calvin and Hobbes and The Far Side, as well as some of the few to carry Rudy. After receiving a broad education at Washington and Lee University and a focused one at Garrett seminary on the campus of Northwestern University, Tom worked briefly for QVC, Inc. Drawing on experience in his nepotism-fueled career as a beat writer, editor and entertainment reporter, Tom in 1994 took the position of managing...
