There is a long tradition of think tanks in Britain. Informal groups and individuals were offering political advice since the eighteenth century, maybe earlier.² In this essay I try to examine some of the major British think tanks that focus on the European Union and their politics concerning the EU. Where possible, I will give evidence on how they actually influenced British policy making in terms of the EU. I will examine the possibilities of how think tanks can influence governments and public opinion and I will summarize some of the...
