In Avas dreams, her son, Noah, looks just the way she remembers him: a sweet two-year-old in rolled-up jeans and a red sweatshirt. When Ava wakes, the agonizing truth hits her all over again. Noah went missing two years ago, and his body has never been found. Almost everyone, including Avas semi-estranged husband, Wyatt, assumes the boy drowned after falling off the dock near their Church Island home. Ava has spent most of the past two years in and out of Seattle mental institutions, shattered by grief and unable to recall the details of Noahs disappearance. Now shes back at Neptunes Gate, the family estate she once intended to restore to its former grandeur. Slowly, her strength is returning. But as Avas mind comes back into focus, her suspicions grow. Despite their apparent concern, Ava cant shake the feeling that her family, and her psychologist, know more than theyre saying. But are they really worried for her well-being or anxious about what she might discover Unwilling to trust those around her, Ava secretly visits a hypnotist to try and restore her memories. But the strange visions and night terrors keep getting worse. Ava is sure shes heard Noah crying in the nursery, and glimpsed him walking near the dock. Is she losing her mind, or is Noah still alive Ava wont stop until she gets answers, but the truth is more dangerous than she can imagine. And the price may be more than she ever thought to pay This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Mass Market Paperback.
