

Out of Touch: When Parents Children Lose Contact After Divorce

Filesize: 1.12 MB

Reviews

Good e book and useful one. It really is simplistic but shocks in the 50 % of your book. Your way of life period will probably be convert the instant you total reading this ebook.

(Myah Williamson)

OUT OF TOUCH: WHEN PARENTS CHILDREN LOSE CONTACT AFTER DIVORCE

DOWNLOAD

Oxford University Press, USA. Hardcover. Book Condition: New. Hardcover. 256 pages. Dimensions: 9.5in. x 6.4in. x 1.1in. The breakdown of the family has moved in recent years to the forefront of national consciousness. All manner of social ills, from poor academic performance to teenage drug use and gang crime, have been attributed to high divorce rates and the collapse of the traditional two-parent family. Targets of particularly harsh criticism are parents who lose all contact with their children after a divorce. So-called deadbeat dads are denounced in political speeches and ridiculed on billboard advertisements; mothers who lose touch with their children are stigmatized as emotionally unstable or lacking maternal instincts. Everyone seems to understand the importance of children being raised by two-parent families and the damage that can occur when one parent loses contact completely. What is significantly less clear is why this loss of contact occurs and what can be done to prevent it. In *Out of Touch*, Geoffrey Greif explores these issues with clarity, compassion, insight, and an evenhandedness rarely encountered in an arena far more susceptible to acrimonious debate than sympathetic understanding. Setting out to find the reality beneath the catchall categorization of out-of-touch parents as deadbeats, substance abusers, child mistreaters, or criminals, Greif focuses on those parents who tried and, for a vast array of reasons, failed to maintain contact with their children. It is their voices, in a discussion dominated up till now by the custodial parent, that we most need to hear, Greif argues, if we are to uncover ways to avoid such failures in the future. Rather than offering dry statistics and abstract generalizations, Greif lets us hear these voices directly in 26 in-depth interviews with estranged parents and with children caught in the crossfire of painful divorces. Extending over a period of two...
