

An Almanack for the Year of Christ 1660 Being Bissextile or Leap-Year . Calculated for the Meridian of Maidstone Where the Pole-Artick Is Elevated Above the Horizon 51 Degrees, 24 Minutes By John

By John Heyman

Yebo Editions, Proquest. Paperback. Book Condition: New. This item is printed on demand. Paperback. 54 pages. Dimensions: 9.7in. x 7.4in. x 0.1in. This book represents an authentic reproduction of the text as printed by the original publisher. While we have attempted to accurately maintain the integrity of the original work, there are sometimes problems with the original work or the micro-film from which the books were digitized. This can result in errors in reproduction. Possible imperfections include missing and blurred pages, poor pictures, markings and other reproduction issues beyond our control. Because this work is culturally important, we have made it available as part of our commitment to protecting, preserving and promoting the worlds literature. The below data was compiled from various identification fields in the bibliographic record of this title. This data is provided as an additional tool in helping to insure edition identification: An almanack for the year of Christ 1660 being bissextile or leap-year . . . calculated for the meridian of Maidstone where the Pole-Artick is elevated above the horizon 51 degrees, 24 minutes by John Heyman. Heyman, John. Imperfect: lacks leaf 8 of B signature. Includes authors : An appendix to the preceding almanack for the...
