

Mind Games (The Disillusionists Trilogy: Book 1)

Filesize: 7.8 MB

Reviews

This publication is wonderful. It is amongst the most remarkable pdf i have got read. Its been written in an exceptionally basic way and it is merely after i finished reading through this pdf in which really transformed me, alter the way i really believe.

(Shayne Schneider)

MIND GAMES (THE DISILLUSIONISTS TRILOGY: BOOK 1)

Spectra, 2010. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "Wow! Crane's writing style brings to mind old-school noir, with the compelling attitude of superheroes from a graphic novel. A masterful blend of dark and light, good and bad and all the grays in between, it will draw readers thoroughly into her tale, as they root for the good guys-while trying to figure out just who the good guys are. The ending promises more adventures, and that is a very good thing." 4.5 stars-Romantic Times "With a twisty, edgy storyline, a unique premise and a fascinating heroine, Mind Games jumpstarts a smart and original urban fantasy series. A fabulous debut!"-Meljean Brook, The Guardians series "Carolyn Crane writes with deft and evocative flair, creating a fantasy-noir world touched with comic book cool. With a twisty plot, a unique heroine, memorable supporting characters, and an amazingly fresh premise, debut novel Mind Games is a delicious, unforgettable delight. I cant wait for the next book!"-Ann Aguirre, author of Blue Diablo "Carolyn Crane's debut novel is a brilliant original in every way. Just when I think that urban fantasy heroines are becoming too clichd and predictable, Mind Games blows me out of the water with its unique premise. Justine does not wield a katana, or ride a Harley, or kick like a ninja. Instead she fights with her mind, and speaking as a nerd myself, I find that concept oh so sexy."-dirtysexybooks.com " Mind Games is a violent U-Turn in a fresh direction, signaling the dynamic and welcome arrival of both Carolyn Crane and the most unique urban fantasy heroine I've seen on page in a long while, Justine Jones. And like Justine, Midcity is brightly imagined, beautifully dangerous, and perfectly flawed. Flashy and stylish, this is...
