University Press of New England. Hardback. Book Condition: new. BRAND NEW, Silence in the Snowy Fields: Poems (Minibook ed), Robert Bly, Wesleyan University Press is pleased to present a special miniature edition of this best-selling volume of poetry by Robert Bly. Originally published in 1962, Silence in the Snowy Fields was Bly's first book, and one of the first volumes of poetry published by Wesleyan. Silence in the Snowy Fields disarmed readers and critics with its clear-sighted intelligence and apparent simplicity. Unlike much of the academically based American poetry of its time, this poetry aimed at a kind of Eastern balance in which human beings participate in but do not dominate nature. Many still find this one of Bly's most healing books. The entire book is reproduced in this irresistable small format.
