Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.It is an amazing thing to discover that your grandmother was a poet and you didn't even know it. It was quite a surprise when one day I opened a letter from my mother and found out that she had a collection of poems written by my grandmother ranging from the 1920s to the 1960s. Some of her inspiration seems to come from the war, her family, her loves, and nature. So I have compiled her poems into this book for all to enjoy.
