*Good electronic book and valuable one. It is one of the most incredible publication we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.

In The Colors of Space, young Bart Steele, Space Academy graduate, is waiting in a spaceport for a ship to take him home when something happens that suddenly thrusts him into the center of a quest for the secret of interstellar travel. The method of faster than light travel, called warp drive in later Sci-Fi stories, is a tightly kept secret of an alien race known as the Lhari.
