Heretofore this particular domain has been a sort of minus quantity that did not come within the radius of his scope. Yes, North America hasn t a monopoly on all of the good things that are to be found upon the Western Hemisphere, and your humble servant is glad of it. Latin Americans are different, but by no means inferior, to other enlightened people. Their country is ahead of North America in apparently so many important ways as the latter excels the former in others. Surely all Americans have reason to take pride in their own country, every foot of it, from Hudson Bay to Cape Horn. Each man of the United States squadron was so sincerely welcomed throughout Latin America that none of them, so far as I know, had a chance to see anything that did not appeal to his better nature. Therefore the writer is enabled to make mention of only the things that ennoble rather than of those that degrade. The southern portion of America undoubtedly has. just like the region up north, many disturbing elements to contend with; but, you may depend upon it, that it is strictly alert thereto. It is amazing how so many discordant elements can be held so severely in restraint as they are in most of the Latin American commonwealths. The efficient manner in which United States sailors...
