

## Raised by Humans: Poems (Paperback)

By Deborah A Miranda

Tia Chucha Press, United States, 2015. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book. The poems in Raised by Humans are about surviving childhood and colonization. Childhood did not agree with Deborah Miranda, mostly because the adult humans in charge of her life were not prepared to manage their own lives, let alone the life of a human-in-training. Humans raised Deborah, but it wasn't a humane childhood. This poetry collection is also about how indigenous people survive civilization and become readers and writers of the same alphabet that colonized their culture. The complexity of being forced to find her way into relationship with the very people or cultures that have hurt/raised Miranda is a paradox at the heart of her poetry, which pushes language past what Miranda calls the alphabet of walls.
