Brand New Book ***** Print on Demand *****.We are incurably and necessarily interested in ourselves, but none of us fully know ourselves. Furthermore, most people consistently miss the only approaches to life which will yield satisfaction, joy and immortality. But for those who earnestly and prayerfully study the Scriptures, keys to reality are discovered unlocking life s mysteries. The Bible is a marvelous picture-album and the potential of every life is there sketched. The chief seven characters of Genesis portray the various stages in every believer s walk of faith, and the opening six books of the Bible do the same. In this book you will find uncovered heights and depths of the inspired records never seen before. The appendix offers unassailable evidence for the divine origin of the Bible.
