Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.A CAREER AS A FASHION DESIGNER begins in your imagination. Are you a person who looks at clothing, shoes and hats as they pass by and imagine another way that they might have been made to look, a different color, perhaps, or another fabric choice, or a change in emphasis of some feature? Do you look at the world around you and see the pattern of shadows a fence casts on a wall and picture a coat with that same pattern? Do you notice the color of the sky on a late afternoon in summer just as storm clouds move to cover the sun and think what an elegant shade that would be for a shirt? Do you feel how comfortable to the touch is the wood used in the benches at a railway station? Imagine how excellent it would be to have buttons made with the same kind of wood? If these are typical of the types of thoughts that go through your mind, then you are on the right track when it comes to considering a career as a fashion designer. This is not an easy career by any means. It is a highly competitive category with many ego-driven participants, some with dreams of glory that may make them less than pleasant to be around, much less work with. Nevertheless, there are many kind, creative, and cooperative people in the industry, which is a good thing since so much of what goes into the development and marketing of new fashion designs is a team effort. If you know you were born to be a fashion designer then you should consider getting the best training you can...
