Bloomsbury Publishing PLC, United Kingdom, 2016. Paperback. Book Condition: New. Johnny Shumate (illustrator). 248 x 184 mm. Language: English . Brand New Book. In Operation Totalize, Lieutenant-General Guy Simonds II Canadian Corps launched an attack from its positions along the Bourguebus Ridge south of Caen, striking south-southeast astride the main Caen-Falaise road toward the high ground that dominated the town of Falaise and the key west-east lateral road that ran through this town. Using sophisticated operational art the initial break-in achieved rapid success; indeed, more tactical success than any previous Allied break-in attack in Normandy. However, despite this rapid initial success, Totalize did not subsequently secure a decisive operational-level victory. Indeed, Simonds forces subsequently struggled swiftly to complete the second break-in battle, and to transit into rapid exploitation operations. Had Simond s force been successful the German army may not have been able to extract themselves from the Falaise pocket and would have been surrounded and defeated - possibly bringing about the early end of the war in Europe.
