Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Vittoria, Vol. 2 The old city of Meran faces Southward to the yellow hills of Italy, across a broad vale, between two mountain-walls and torrent-waters. With one hand it takes the bounding green Passeyr, and with the other the brown-rolling Adige, and plunges them together in roaring foam under the shadow of the Western wall. It stands on the spur of a lower central eminence crowned by a grey castle, and the sun has it from every aspect. The shape of a swan in water may describe its position, for the Vintschgau and the stony Passeyrthal make a strong curve on two sides as they descend upon it with their rivers, and the bosom of the city projects, while the head appears bending gracefully backward. Many castles are in view of it; the loud and tameless Passeyr girdles it with an emerald cincture; there is a sea of arched vineyard foliage at his feet. Vittoria reached the Castle of Sonnenberg about noon, and found empty courts and open doors. She sat in the hall like a supplicant, disregarded by the German domestics, who beheld a travel-stained humble-faced young Italian woman, and supposed that their duty was done in permitting her to rest; but the duchess s maid Aennchen happening to come by, questioned her in moderately intelligible Italian, and hearing her name gave a cry, and said that all the company were out hunting, shooting, and riding, in the vale below or the mountain above. Ah, dearest lady, what a fright we have all been in about you! About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at...
