

## Quality Indicators: Defining and Measuring Quality in Psychiatric Care for Adults and Children (Report of the APA Task Force on Quality Indicators)

By American Psychiatric Association

American Psychiatric Publishing. Paperback. Book Condition: new. BRAND NEW, Quality Indicators: Defining and Measuring Quality in Psychiatric Care for Adults and Children (Report of the APA Task Force on Quality Indicators), American Psychiatric Association, The past decade has witnessed remarkable growth in the field of quality measurement in health care. Today's patients want to know that the care they receive is safe, effective, and accessible. This compelling monograph combines -- for the first time -- the reports from two American Psychiatric Association task forces on quality in psychiatric care (March 1999, which focused on adults, and October 2001, which focused on children and adolescents), offering a clinical framework for quality measurement that provides sample indicators of quality for health plans, facilities, and systems of care. Using similar formats and definitions, each task force considered a matrix of priority areas of care, including specific patient populations (e.g., elderly, seriously and persistently mentally ill, developmentally disabled people) and diagnostic categories (e.g., depressive disorder, schizophrenia, substance use disorders). Each then examined important aspects of patient care and constructed a quality framework that included dimensions of access, quality (appropriateness of care), perception of care (satisfaction), outcome, and -- for the children's report -- prevention....

### Reviews

*Very helpful to all of group of men and women. It can be written in easy terms instead of confusing. You will like how the writer writes this book.*

*The very best publication I have ever read. It really is basic but shocks inside the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.*
