Reviews

It is one of my personal favorite books. It is written in easy terms and never hard to understand. It has been designed in an exceedingly easy way and it is only after I finished reading this publication that I in fact changed me, change the way I think.

You ought to thank me, then, for the sacrifice I made you; for having sunk so low as to seem to be yours; for having, like a coward, hidden in my heart what I ought to have published to all the earth; finally, for having profaned virtue, by permitting my submission to your humours to be called by that name. You were amazed never to find in me the transports of love:...
