Reviews

This publication will never be effortless to get started on reading through but very entertaining to read through. It normally is not going to expense too much. I discovered this publication from my dad and i encouraged this book to find out.

Jill Taylor has had a crush on her best friend s uncle, Chicagoan Dayton Vance, since she was a teenager. Unfortunately, Dayton insists that Jill is too young for him even though only six years separate them. Finally, having given up on Dayton, Jill closes her Atlanta counseling practice to follow her friend Megan to Barbourville, Tennessee, where she opens Jill s Soup Bowl in a renovated Victorian house. Jill is contentedly settling into small-town life when Dayton s appearance on her front porch disrupts her peace and has her questioning her real reasons for moving to Barbourville. Attorney Dayton Vance, one of triplets, was born a few minutes before either of his brothers, Dallas and Denver, and he s always felt responsible for both of them, along with his niece Megan. When those three end up living in Barbourville-a move Dayton considers ill advised-he wonders where he s gone wrong. Because Jill Taylor is the only counselor he knows who is acquainted with his entire family, Dayton flies from Chicago to Atlanta to consult her. Horrified when he discovers Jill has moved to Barbourville to open a restaurant, he hunts her down to complain, only to end up in her kitchen the next day peeling potatoes and asking himself how he managed to lose control of his plans so completely. Can the town of Barbourville work its usual magic and help two obstinate people discover that following their dreams will lead them in the right direction, no matter where they live?.
