Reviews

It is just one of the best publications. This can be for anyone who states that there was not a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.

SIMSOC: SIMULATED SOCIETY: PARTICIPANT S MANUAL (PAPERBACK)

Simon Schuster Ltd, United Kingdom, 2000. Paperback. Book Condition: New. 5th edition. 274 x 208 mm. Language: English . Brand New Book. The official guide to SIMSOC, the dynamic group simulation game whose potential for stimulating the learning process is staggering (Teaching Sociology), in which players grapple with the challenge of governing society. In SIMSOC, players confront issues like abuse of power, justice, diversity, trust, and leadership as they negotiate their way through labor-management strife, political turmoil, and natural disasters. Success or failure is dependent upon decisions made by players and the creativity of the group and every game is a teaching tool. To be successful, players must utilize every basic social process from cooperation and reward to threat and punishment. SIMSOC will make participants ask questions about social control, and bring everyday experience and deeper understanding to even the most arcane social and organizational theory. Included in this Fifth Edition of SIMSOC s Participant s Manual are instructions for playing, materials for play, study questions based on participation, and selected readings about simulation games, leadership, and social processes. New to the Fifth Edition are additional size levels to accommodate groups of up to ninety participants with simplified rules and readings by authors from Nicholas Lemann to Robert Putnam.
