Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Buffalo Lithia Waters in the Treatment of Diseases of the Nervous System There is no physiological process that is not executed either directly or by rctlc.x action by the nervous system- waking, respiration, deglutition, walking, sleeping; in a word, life itself begins and ends in the medulla oblongata. It is not necessary to look beyond the par vaguin to observe the great variety of physiological functions and far-reaching psychical inthincncs exercised bv a single nerve. The deduction naturally drawn therefrom that the majority of diseases arc referable to derangements of the nervous system, be it through the plexus affected, the sympathetic, or the cerebro-spinal system, is fully established by pathology. Almost all morbid changes thus find their origin in a neurosis. Neuroses dominate pathology. A remedy therefore suitable to diseases of the nervous system in general- such as neurasthenia, hyperiestlicsia, chorea, neuralgia, neuritis, dyspepsia, nmcnorrhoca and (lysincnorrhowi of nervous origin, impotence, sterility and hysteria, cerebral hyperaunia and anasmin, melancholia, paralyses, and cephalalgia-is one to commend itself to the neurologist as well as to the gen-oral practitioner. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
