Their universal complaints are that it is difficult, - that it is disagreeable, - that, in fact, they cannot understand it. We sincerely feel and acknowledge the justness of these complaints. At the same time, we are fully convinced that the cause of these obstructions does not exist so much in the subject of Grammar itself, as in the manner in which the subject has been treated. Although we have examined upwards of thirty different English Grammars, we have not seen one adapted to the capacity of children: they are all decidedly too technical, even in their very first lessons, and consequently too abstruse for the use of children. They demand an amount of knowledge in children of seven or eight years, which is rarely possessed by youths of twelve or fourteen. It is very important that children should commence their grammatical studies early....
