

Mythos and Logos of the Warlis: A Tribal World View

By Ajay Dandekar (Ed.)

Concept Publishing Company Pvt. Ltd., 1998. Hardcover. Book Condition: New. This compilation represents a labour of love to describe a tribal culture before it is lost in an ethnocide, which threatens our tribal peoples today more than ever. A scholar and a priest have collaborated to bring together head and heart with a commitment to, and an empathy for the Warlis. These tribals have a contribution to make a challenge to pose to us, for the tribal is the other who questions and critiques our society in ways we cannot ignore, if we want to address the fundamental issues of our society with a humanising agenda. To make the text more accessible and credible the Warli legends and myths are presented in English and Warli, in the Roman as well as the Devanagari scripts. As such this collection represents an important contribution to ethnographic literature, on the Warlis in particular and more generally as well. Printed Pages: 159.

Reviews

It is one of my personal favorite publications. It is actually really fascinating through reading through a period of time. It has been printed in an extremely basic way in fact it is just after I finished reading through this ebook by which basically transformed me, change the way in my opinion.

-- **David Weber**

The ebook is fantastic and great. It really is basic but unexpected situations within the fifty percent in the book. It has been written in an exceptionally basic way in fact it is only after I finished reading through this ebook by which actually modified me, modify the way in my opinion.
