THE OPERATORS: INSIDE THE WORLD'S SPECIAL FORCES

Skyhorse Publishing. Paperback / softback. Book Condition: new. BRAND NEW, The Operators: Inside the World's Special Forces, Mike Ryan, Never before have the techniques and operations of special forces around the world been revealed in such fascinating detail. Journalist and soldier Mike Ryan's access to restricted information is at the heart of this extraordinary look into the world of special forces and their tactics, training, and protocols. Ryan's web of military contacts in the U.S. and Europe allows him to tell the full stories of famous special forces units (like the SAS, Delta Force, and the French Foreign Legion), to discuss their role today on an ever-changing battlefield, and to ponder their increasing use as political enforcers. Soldiers from all over the world talk candidly about the hunt for Osama bin Laden, the overthrow of Saddam Hussein, and operations in the Balkans, Somalia, and Sierra Leone. Every entry on a unit, tactic, or weapon is backed up with photographs of it in action, as well as testimony from operators in the field and a full analysis of its combat effectiveness. 240 color photographs.
