

## Unfinished Constitutional Business?: Rethinking Indigenous Self-Determination (Paperback)

Filesize: 2.11 MB

### ***Reviews***

*Very useful to all category of men and women. I actually have study and i also am certain that i am going to going to read through again once more down the road. Its been written in an exceptionally simple way and is particularly only soon after i finished reading this publication by which basically altered me, modify the way in my opinion.*

## UNFINISHED CONSTITUTIONAL BUSINESS?: RETHINKING INDIGENOUS SELF-DETERMINATION (PAPERBACK)

DOWNLOAD

Aboriginal Studies Press, Australia, 2005. Paperback. Book Condition: New. 228 x 152 mm. Language: English . Brand New Book. Indigenous self-determination is the recognised right of all peoples to freely determine their political status, and pursue their economic, social and cultural development. Unfinished Constitutional Business offers fresh insights into the ways Indigenous peoples can chart their own course and realise self-determination. The right to self-determination remains the most hotly contested issue in the UN Working Group s Draft Declaration: because the history of colonisation is emotionally charged, the issue has been clouded by a rhetoric that has sometimes obstructed analysis. This book provides a comprehensive international exploration of Indigenous self-determination. It argues that patterns are emerging that point to effective strategies that will allow Indigenous peoples to realise their goals. The UN Working Group s definition of Indigenous peoples has been influenced by these different experiences of colonisation. Diverse jurisdictions are examined as it surveys both common law and civil law systems: from the Saami Parliaments of Scandinavia, to the Maori seats in the New Zealand Parliament, of the Australian Indigenous peoples struggle for native title and self-governance, to the Canadian experience in territorial governance. A selection of international authors challenge readers to (re)consider the meanings of self-determination and their implications for Indigenous peoples in different contexts.
