

A Nonreactive Measure of Inferential Beliefs (Classic Reprint) (Paperback)

By Frank R Kardes

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from A Nonreactive Measure of Inferential Beliefs Approaches toward measuring inferential beliefs about products are reviewed and a nonreactive measurement procedure is advanced. This procedure is illustrated empirically in a study demonstrating that the cognitive operations involved in deducing inferential beliefs from a set of product claims are automatic and inescapable. Implications for advertising research and for public policy are discussed. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
