BUYING A HOME: THE MISSING MANUAL

O'Reilly Media. Paperback. Book Condition: New. Paperback. 354 pages. Dimensions: 8.9in. x 6.0in. x 0.8in. Home ownership is a cornerstone of the American dream, but its a complex process that, without the right guidance, can seem like a nightmare. This Missing Manual takes you through the process of buying a home, from start to finish. Along the way, youll use the books expert advice and fill-in forms to identify the house you want, figure out what kind of neighborhood you want to live in, determine what a target home is really worth, make an offer, and close the deal. Throughout the process, this book helps you: Realistically determine how much house you can afford Assemble a real estate team thats looking after your interests and not the sellers Understand the different ways to finance your house, and which is best for you Create an attractive offer with the best chance of acceptance Learn what lenders look for so you can get your mortgage approved Inspect your new home to uncover potential problems Prepare all the right paperwork for a smooth closing Ten Tips for Buying a Home in a Buyers Market By Nancy Conner 1. Know what you can afford--and stick to your budget. This is true of any market, of course. But when there are lots of houses on the market, it can be easy to slip into the mindset that any home is yours for the taking: Another bedroom might be nice, or a family room and a great room. Dont treat your local housing market like an all-you-can-eat buffet. Before you shop for a home, know your needs and your budget, and focus on homes that fit those. To track your spending, try the free budget planner spreadsheet from Spreadsheets123. 2. Get preapproved. This is a good idea...
