THE LIBERAL PERSUASION: ARTHUR SCHLESINGER, JR., AND THE CHALLENGE OF THE AMERICAN PAST (HARDBACK)

DOWNLOAD

Princeton University Press, United States, 1997. Hardback. Book Condition: New. 240 x 160 mm. Language: English . Brand New Book. John Diggins has put together a stimulating and provocative book filled with contributions of extraordinarily high quality. --Richard Gid Powers, City University of New York, College of Staten Island For more than half a century, the celebrated historian Arthur Schlesinger, Jr., has been the guiding force of American liberalism, both intellectually and in practice. The author of many critically acclaimed books, Schlesinger vigorously defended FDR's New Deal policies in his earliest writings and later served as a close advisor to President John F. Kennedy. In this volume, twenty of today's most eminent historians join forces to explore Schlesinger's unique brand of liberalism--one that has steered clear of ideological extremism and social fragmentation, favoring instead pluralism and the pragmatic use of state power. By engaging the reader in various aspects of his career and intellectual pursuits, these essays offer an exhilarating journey through American political history, from the Jackson era to multiculturalism, while demonstrating historical writing at its best. The volume opens with essays on Schlesinger as a historian and a political participant, contributed by William E. Leuchtenburg, Hugh Thomas, George Kennan, John Kenneth Galbraith, and John Morton Blum. The influence of the Jackson era is explored by Robert Remini, Sean Wilentz, and Jean V. Matthews. In a section on modern liberalism and governance, such topics as the New Deal, the Great Society, and the fate of liberalism under the Carter administration are discussed by Alan Brinkley, Kathleen D. McCarthy, Fred Siegel, Leo P. Ribuffo, and Richard C. Wade. Betty Miller Unterberger and Ronald Steel comment on liberalism and the Cold War. Louis Menand and Eugene D. Genovese explore ideological controversies within liberalism, including pragmatic liberalism and relativism and multiculturalism. In...
