Guernica Editions, Canada. Paperback. Book Condition: new. BRAND NEW, Great Light Cage: Collected and New Poems, Robert Flanagan, This volume brings together the poems from Robert Flanagan's earlier books -- Body (1970), Incisions (1972), Gravity (1978), and On the Ground (1990) -- and a number of new poems. We find a continuity, a flow between the various poems and the different books. There is a consistency in language and style, a marvellous coherence. The individual poems are self-contained and yet echo other poems. Each book folds into the next. There is an urgency apparent here, an organic process at work.
