Rockport Publishers Inc., United States, 2016. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book. Anyone who loves to crochet needs to have this book on their bookshelf! Crochet diva Melissa Leapman divulges 300 of her favorite crochet stitch patterns in this book--enough designs to keep you busy stitching for years! Many of the patterns included are original designs, and others are garnered from Leapman s years of experience in the industry. The book is geared toward crocheters of all skill levels and is formatted in a way that encourages readers to learn and grow as they sample from the patterns. The beginning of Melissa Leapman Stitch Collection features a pattern library with a full explanation of stitch multiples and how they work. Suggestions are offered about how to design basic projects, including afghans, pillows, hats, and more. The book s second section offers stitch patterns arranged by type--from lace to cables to colorwork and beyond. Each stitch pattern is accompanied by easy-to-read instructions, stitch diagrams using international symbols, and a clear photo. If the reverse side of the fabric is interesting for a given pattern, both sides will be presented. A unique icon is used to mark these special patterns, making them easy to seek out for versatile scarves and blankets, which must look attractive on both sides. Readers will want to make hats, scarves, shawls, and more for themselves and friends. The patterns just beg to be stitched. No one can deny it--this book is off the hook.
