A COLLECTION FOR GRADE NINE: GUIDE FOR ANALYSIS (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Because analysis is a higher-level critical thinking skill, students have a difficult time understanding the concept, especially if their reading comprehension is at a lower level. Most often, students end up writing summaries of what they read, rather than explaining how a text is effective through the authors use of rhetorical strategies. This Guide provides exemplars, questions, and strategies for teaching analysis. This book is useful for any high school English class (especially AP English), as well as college English courses. The author was inspired by selections that appear in the Collections Textbook Series, Grade Nine (HMH Publishing).
