Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from New York Water Supply: Department of Public Works Hon. William R. Grace, Mayor: Sir - In the quarterly and annual report which I transmitted to you on the 13th instant, I stated that under the direction of Mr. Isaac Newton, Chief-Engineer of the Croton aqueduct, with the assistance of Mr. E. S. Chesbrough, as Consulting Engineer, careful investigations and surveys have been made during the past year, to ascertain the best method of securing an additional water supply for the city; that these investigations and surveys have led to a definite plan for a new aqueduct from the Croton river to the city, the outlines of which I briefly stated; that upon examination the plan has received the approval of Mr. John B. Jervis, the distinguished constructor of the Croton aqueduct, Mr. James B. Francis, President of the American Society of Civil Engineers, and that it was also examined and approved by Mr. Robert K. Martin, under whose direction a similar work, the Baltimore water-works tunnel, was recently successfully constructed. I have now the honor...
