TO MEET AND SATISFY A VERY HUNGRY PEOPLE THE ORIGINS AND FORTUNES OF ENGLISH PENTECOSTALISM, 1907-1925

Paternoster Press. Softcover/Paperback. Book Condition: New. This study aims to elucidate the origins of how the Pentecostal message came to England, highlighting reasons for its appeal to an initially small constituency, while tracing its emergence in specific religious localities which ranged from Anglican vestry, to mission hall platform, to domestic drawing room. Its chief purpose is to examine the origins and emergence of a distinctively English version of the Pentecostal phenomenon. Commendations Pentecostalism, the most vibrant Christian movement of the twentieth century, had roots in England as well as America, but its early English years have been obscured by subsequent denominational developments. Tim Walsh has examined the original sources—periodicals, correspondence, minutes and unpublished pamphlets—in order to put the record straight. His book, which illuminatingly takes four localities as case-studies, provides us with the most authoritative account of Pentecostal origins in England that we possess. David Bebbington, Professor of History, University of Stirling Tim Walsh has provided a fine example of historical research, offering an excellent, comprehensive and detailed investigation of the earliest years of English Pentecostalism. He has expertly set it in its historical context and thereafter, has focussed on its major distinctives, including the baptism in the Spirit, its emphasis on worship, spirituality, personal ethics and eschatology. Each has helped to define Pentecostals revivalist heart. Keith Warrington, Vice Principal, Regents Theological College, UK.
