Reviews

The best book i actually read through. I have got read and so i am sure that i am going to going to read through yet again yet again down the road. You can expect to like the way the author compose this pdf.

(Ludie Willms)

TURNING GREEN (HARDBACK)

Av2 by Weigl, United States, 2013. Hardback. Book Condition: New. 225 x 142 mm. Language: English Brand New Book. The Earth is under attack: global warming, water and air pollution, coral reef bleaching, pesticides in the foods we eat, and toxins in the products we use every day. It all seems overwhelming. The good news is that each of us can help turn the world green again! When Jessica Assaf found out that harmful chemicals were hidden in the products that she and millions of other teenagers used every day, she decided to do something about it. Unwilling to back down to the billion-dollar cosmetic industry, Jessica (along with the girls from an organization called Teens for Safe Cosmetics) began organizing events and rallies to help spread the word about green makeup alternatives. She was even able to help get a Safe Cosmetics Bill passed in California! Log on to and enter the unique book code found on page 2 of this book to unlock an extra dimension to your AV2 Audio Chapter Book. Test your knowledge with a fun self-assessment activity. Hear the book come to life as you read along in your own book.
